This form was developed by the Institute for Health Care Studies at Michigan State University in collaboration with the Michigan Medicaid managed care plans, Michigan Department of Community Health, Michigan Department of Human Services, Michigan Association of Health Plans, and Michigan Association of Local Public Health.

Department of Human Services (DHS) will not discriminate against any individual or group because of race, religion, age, national origin, color, height, weight, marital status, sex, sexual orientation, gender identity or expression, political beliefs or disability. If you need help with reading, writing, hearing, etc., under the Americans with Disabilities Act, you are invited to make your needs known to a DHS office in your area.

Provide foster parent/child's caregiver with handout.

FOSTER PARENT/CAREGIVER HANDOUT

Your Child's Health at 4 years

Milestones

Ways your child is developing between 4 and 5 years of age.

- Counts on fingers and knows some letters
- Talks about what will happen tomorrow and what happened yesterday
- May begin to skip
- May have special friends and may tease or ignore some children
- Begins to know the difference between right and wrong and telling the truth and lying
- May want to be "just like you" and may want to share in the things you do
- Uses words to solve simple problems and say what they're feeling

For Help or More Information:

Age Specific Safety Information:

Call 1-202-662-0600 or go to http://www.safekids.org/safety-basics/

Car seat safety:

Contact the Auto Safety Hotline at 1-888-327-4236 or online at http://www.nhtsa.dot.gov

To locate a Child Safety Seat Inspection Station, call 1-866-SEATCHECK (866-732-8243 or online at www.seatcheck.org

Poison Prevention:

Call the Poison Control Center at 1-800-222-1222 or online at www.mitoxic.org/pcc

For information if you're concerned about your child's development:

Contact Project Find at http://www.projectfindmichigan.org/ or call 1-800-252-0052

Parenting skills or support:

Call the Parents HELPline at 1-800-942-4357 or the Family Support Network of Michigan at 1-800-359-3722.

Domestic Violence hotline:

National Domestic Violence Hotline – (800) 799-SAFE (7233) or online at www.ndvh.org

For help teaching your child about fire safety:

Talk with firefighters at your local fire station

Health Tips

Your child will need some shots before starting school. Make sure you get them son.

Be a role model for your child. Teach your child healthy habits by eating healthy foods, limiting screen time (T.V., computers, video games) and by encouraging family physical activity.

Help your child get enough sleep so she will be happier and will learn easier! Put her to bed early so she gets 10 to 12 hours of sleep at night. Have a bedtime routine to calm your child before going to sleep. Read a story or talk together before bed.

Each child develops in his own way, but you know your child best. If you think he is not developing well, call your child's doctor or nurse and tell them your concerns.

Parenting Tips:

Help your child know what to expect by making a calendar of pictures to show her activities for the day.

- Play active games (tag, ball, riding wheeled toys, climbing)
- Play board games and do puzzles

Limit television and computer time to 1-2 hours a day

Help your child feel good about himself and others:

- Praise your child every day
- Be clear about behaviors that are okay or not okay
- Help your child use words when she is feeling upset instead of hitting, kicking, biting or saying mean things
- Talk to your child about why teasing other children is wrong and what she should do instead

If you feel very mad or frustrated with your child:

- 1. Make sure your child in a safe place and walk away.
- 2. Call a friend to talk about what you are feeling.
- 3. Call the free Parent Helpline at 1 800-942-4357 (in Michigan). They will not ask your name, and can offer helpful support and guidance. The helpline is open 24 hours a day.

Safety Tips

Booster car seats are for big kids! Use a booster in the back seat with lap/shoulder belts.

Make sure your child knows his address and phone number. Teach him how to call 911 in an emergency and to stay on the line if he has to call for help. Practice with a toy phone.

Teach your child to stop, drop, and roll on the ground if her clothes catch on fire.
